Application to Parliament Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, 1953, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location, upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

THE FARM PRODUCTS MARKETING ACT

O. Reg. 330/60.

Hogs—Marketing.

Made—20th December, 1960.

Filed—20th December, 1960.

REGULATIONS MADE BY THE BOARD UNDER THE FARM PRODUCTS MARKETING ACT

1. Clause *a* of regulation 1 of Ontario Regulations 146/57 is revoked and the following substituted therefor:

(a) "buyer" means a person who buys hogs for processing by some person other than himself;

(aa) "hogs" means hogs produced in Ontario and marketed for slaughter;

2. Ontario Regulations 146/57 are amended by adding thereto the following regulations:

LICENCES FOR BUYERS

4a.—(1) No person shall commence or continue to engage as a buyer except under authority of a licence as a buyer of hogs in Form 4.

(2) No licence as a buyer of hogs shall be issued except upon application therefor in Form 3.

(3) A licence as a buyer of hogs expires with the 31st day of March next following the date on which the licence is issued.

(4) A licence as a buyer of hogs shall be issued to a buyer without charge.

CONDITIONS OF LICENSING AS A BUYER OF HOGS

4b. A licence as a buyer of hogs is issued upon the following conditions that,

(a) the buyer does not buy other than for himself hogs for a processor whose purchases of hogs during the preceding calendar year exceeded 1 per cent of the hogs slaughtered by processors in Ontario in that year;

(b) where the buyer holds a licence as a processor and he bids on any lot of hogs other than for himself, he discloses at the time of sale of any lot of hogs on which he bids the name of the processor on whose behalf he is buying the hogs; and

(c) where the buyer of hogs is not a licensed processor, he discloses at the time of sale of any lot of hogs on which he bids the name of the processor on whose behalf he is buying the hogs.

3. Clause *b* of regulation 6 of Ontario Regulations 146/57 is revoked and the following substituted therefor:

(b) subject to the written approval by the Board in respect of the cost and the method of exercising such power, to stimulate, increase and improve the marketing of hogs;

4.—(1) Clause *a* of regulation 11 of Ontario Regulations 146/57 is revoked and the following substituted therefor:

(a) subject to the written approval by the Board of the method or methods of selling hogs, to direct and control, by order or direction, either as principal or agent, the transporting, assembling and selling of hogs including the times and places at which hogs may be transported, assembled and sold.

(2) The said regulation 11 is amended by adding thereto the following subregulation:

(2) Where the marketing agency sells hogs under the powers vested under subregulation 1, the method or methods of selling hogs are subject to the following limitations:

1. Where the marketing agency does not establish regular times and one or more regular places for the selling of the hogs, the marketing agency shall give notice to every licensed processor and licensed buyer of the time and place at which the hogs are to be sold so that the processors and buyers have reasonable opportunity to be present at the time that each lot of hogs is offered for sale.

2. In the selling of the hogs the marketing agency shall offer lots of hogs in a manner that allows without discrimination the processors and buyers to bid competitively on the hogs.

3. When hogs are sold, the buyer of the hogs shall be the processor or buyer who first bid the highest price bid at the sale.

4. The marketing agency shall make and keep for at least one year a record of the sale of every lot of hogs sold showing,

(a) the number of hogs in the lot;

(b) the location of the hogs at the time of the sale;

(c) the name and address of the buyer;

(d) the price at which the hogs were sold; and

(e) where the buyer purchased the hogs other than for his own processing, the name of the buyer who bid on the hogs and the name of the processor for whom he bought the hogs.

5. Ontario Regulations 146/57 are amended by adding thereto the following forms:

PART I

LICENCES AND PERMITS

ISSUANCE AND FEES

2.—(1) No person shall commence to erect or convert any structure for use in a tourist establishment that he proposes to establish without a permit to erect or establish the tourist establishment in Form 1.

(2) An applicant for a permit shall make application in Form 2 to the proper licence issuer and shall submit with his application plans of the proposed tourist establishment showing in detail all information relevant to the standards prescribed in Part II of these regulations.

(3) A permit in Form 1 expires one year after its date of issue.

(4) The holder of a permit shall erect or establish the tourist establishment in accordance with the plans filed with his application.

3.—(1) No person shall operate a tourist establishment that is not licensed.

(2) A licence is not valid unless it is countersigned by the licence issuer.

(3) Where a tourist establishment has,

(a) a main building with or without other buildings on the same premises; and

(b) one or more rental units located on other premises elsewhere in the same district, but operated from that main building,

one licence to operate all those premises in that district may be issued to that operator.

4.—(1) An applicant for a licence or for renewal of a licence shall,

(a) make application in Form 3; and

(b) file the application with the proper licence issuer together with a fee of,

(i) \$10 where the applicant is resident in Ontario, and

(ii) \$50 where the applicant is resident outside Ontario.

(2) For the purpose of clause *b* of subregulation 1,

(a) an applicant that is a corporation is resident in Ontario if its head office is located in Ontario;

(b) an applicant that is a partnership is resident in Ontario if the partners owning a majority interest in the partnership are resident in Ontario, as determined under clause *c*;

(c) an applicant who is not a corporation or a partnership is resident in Ontario if he has remained in Ontario for a period of twelve consecutive months immediately preceding the date of the application, including periods during which the applicant was outside of Ontario and did not work or carry on business while outside of Ontario.

(3) Application for renewal of a licence shall be made not less than two weeks,

(a) prior to expiry of the current licence, where the establishment is operated all year round; or

(b) prior to commencement of operation in any year, where the establishment is operated only part of the year.

(4) Subject to Regulation 5, the licence issuer shall, as soon as is practicable after he has received the application,

(a) issue to the applicant a licence in Form 4; and

(b) forthwith transmit to the Minister a copy of the licence.

(5) A licence,

(a) becomes effective on,

(i) the 1st day of April of the year in which it is issued, or

(ii) the date on which it is issued,

whichever is the later; and

(b) expires with the following 31st day of March, unless sooner suspended or cancelled.

5.—(1) Where a licence issuer reasonably believes that the establishment in respect of which an application is made, does not comply with the Act or these regulations or any other law, regulation, or by-law, applicable to that establishment, or where,

(a) the establishment is declared a public place under subsection 2 of section 43 of *The Liquor Control Act*; or

(b) the applicant has been convicted of any offence for conduct which demonstrates that it is not in the public interest for him to operate a tourist establishment,

he shall refuse the licence.

(2) Within twenty-four hours after his refusal the licence issuer shall transmit,

(a) to the Minister,

(i) the application, and

(ii) a report setting forth the reasons for his refusal; and

(b) to the applicant by registered mail,

(i) a copy of the report under subclause ii of clause a, and

(ii) a refund of the amount he received as fee for the licence.

TRANSFER OF LICENCES

6.—(1) Where a licensed tourist establishment is sold, or legal ownership thereof passes by any lawful mode, the purchaser or other person to whom the legal ownership has passed may obtain transfer of the licence upon,

(a) filing application therefor in Form 5;

(b) paying a fee of \$1; and

(c) surrendering the existing licence.

(2) Until the new licence is received, the operator shall display in a conspicuous place near the register a legible notice, signed by the new owner or his agent, setting forth,

(a) the licence number and year appearing on the surrendered licence;

(b) the name of the person to whom it was granted; and

(c) the date on which the new owner complied with subregulation 1.

(3) The new owner shall,

(a) obtain from the former owner so much of,

(i) the register, and

(ii) all records required to be maintained under these regulations,

as contain entries and relevant information for at least one year prior to the change of ownership; and

(b) maintain those entries and records until,

(i) the expiration of the period of time required under these regulations, or

(ii) he delivers them to a subsequent new owner,

whichever event occurs first.

SUSPENSION AND CANCELLATION OF LICENCES

7.—(1) Where an establishment in respect of which a licence has been issued is declared a public place under subsection 2 of section 43 of *The Liquor Control Act* the Minister shall cancel the licence.

(2) Upon written request of,

(a) the operator of an establishment; or

(b) any person having a legal or equitable interest in an establishment or in the land on which an establishment is situated,

the Minister may, after a hearing, revoke the cancellation of the licence for the establishment.

(3) Notice of the hearing shall be sent to,

(a) the person making the request;

(b) the licence issuer;

(c) the court making the conviction;

(d) The Liquor Control Board of Ontario; and

(e) any other person or persons whom the Minister may deem proper.

8.—(1) Where an operator violates,

(a) the Act or these regulations;

(b) a by-law passed under section 3 of the Act; or

(c) *The Department of Travel and Publicity Act* or any regulation thereunder,

or where he has been convicted of any offence for conduct which demonstrates that it is not in the public interest for him to operate a tourist establishment, the licence issuer may suspend or cancel the licence, notwithstanding that the violation existed at the time the licence was issued.

(2) Within twenty-four hours after suspending or cancelling a licence, the licence issuer shall send by registered mail,

(a) to the Minister, a report upon such suspension or violation with the licence issuer's grounds therefor; and

(b) to the operator, a copy of that report.

SURRENDER OF LICENCE

9. Upon a licence being suspended or cancelled, the operator shall immediately surrender it to the licence issuer.

APPEALS FROM REFUSAL, SUSPENSION, OR
CANCELLATION, OF A LICENCE

10.—(1) Where a licence issuer has,

- (a) refused to issue a licence to an applicant; or
- (b) suspended or cancelled a licence,

upon receipt of a request from the owner, lessee, resident manager or other person in charge, of the premises in issue, the Minister shall cause a hearing to be held.

(2) Notice of the hearing shall be sent to,

- (a) the licence issuer;
- (b) the applicant for the licence or person to whom the licence had been granted, as the case may be;
- (c) the person making the request, if other than the person referred to in clause b; and
- (d) any other person whom the officer assigned to hold the hearing may deem requisite.

PROCEDURE FOR HEARINGS

11.—(1) Any hearing under these regulations shall be,

- (a) held in the district in which the establishment concerned is situated; and
- (b) conducted by the Deputy Minister, or by an Executive Officer of the Development Branch of the Department of Travel and Publicity, who shall be assigned by the Deputy Minister.

(2) Notice of hearing shall be,

- (a) in Form 6; and
- (b) sent by registered mail not less than twelve days before the date appointed for the hearing, to each person, official or Board required to be notified.

12.—(1) Each person, official or Board notified of a hearing is entitled to,

- (a) be present personally;
- (b) be represented by counsel or an agent; and
- (c) examine or cross-examine each witness.

(2) Where any person, official or Board has been notified of a hearing and does not attend at the place, time and date appointed, the hearing may proceed fully and effectually in his absence.

(3) Where the officer conducting the hearing for any reason deems it desirable in the interests of natural justice to adjourn a hearing, he may do so from time to time upon stating the place, time and date at which the hearing will be resumed.

13. At a hearing,

- (a) each witness is subject to examination, cross-examination, and re-examination; and
- (b) all exhibits are open to inspection by each person, official or Board, notified of the hearing and present in person or represented by counsel or an agent.

14.—(1) Forthwith after completion of the hearing, the officer conducting it shall transmit to the Minister a report containing,

- (a) a synopsis of his findings of fact; and
- (b) his recommendation thereon.

(2) After considering the report and any further material he may desire, the Minister shall make such order as he deems proper in the matter.

(3) Where the Minister decides to suspend a licence the period of suspension shall be not longer than thirty days.

PART II

REGULATIONS AFFECTING PUBLIC HEALTH AND SAFETY

LOCATION AND DRAINAGE

15. A building used wholly or partly for sleeping accommodation or living accommodation for guests shall be located on dry and well drained sites.

16. Where necessary, the operator shall provide surface drainage to ensure that casual or stagnant water is sufficiently far from buildings to prevent a nuisance to persons accommodated or a danger to their health.

WATER SUPPLY

17. An operator shall,

- (a) provide an adequate supply of clean and potable drinking water; and
- (b) take reasonable steps to ensure that no person at the establishment,
 - (i) takes water from any open spring or well on the premises; or
 - (ii) uses any cup, dipper, ladle or other receptacle for drinking water, in common with other persons not in his party.

18.—(1) An operator shall ensure that all water supplied on the premises, for human consumption or the preparation of food, is potable.

(2) Where an operator has no reason to suspect otherwise, he may assume that, at the point where it enters upon his premises, the water supplied by a municipality or public utility is potable.

(3) Where drinking water from any source is not potable, the operator shall treat it under the direction of a testing officer, so as to make it potable.

(4) Every well, spring, reservoir, faucet, tap, pipe-opening or other place, from which non-potable water is available, shall be clearly indicated by prominent, readily legible signs containing the words "NOT FIT FOR HUMAN CONSUMPTION" in letters not less than $\frac{1}{2}$ -inch high.

TESTS

19.—(1) Where an establishment operates all year round and the drinking water is not supplied by a municipality or public utility, the operator shall cause it to be tested by a testing officer at intervals not greater than six months.

(2) Where an establishment operates only part of the year and the drinking water is not supplied by a municipality or public utility, the operator shall cause it to be tested by a testing officer within thirty days before the date of opening in that year.

(3) Where a test discloses water to be unfit for human consumption, that water and all water from the same source shall be deemed to be non-potable until a subsequent test discloses that it is potable.

(4) The operator shall display in a conspicuous place in that part of the establishment in which the register is kept the report of the testing officer on the most recent test of each source of drinking water.

WELLS, RESERVOIRS AND PUMPS

20.—(1) A well, from which drinking water is available, shall be so constructed and located that surface contamination and drainage cannot enter it.

(2) A reservoir with an open top shall not be installed or permitted for storage of drinking water.

(3) A reservoir for drinking water shall,

- (a) be constructed of material impervious to water;
- (b) be free of leaks; and
- (c) have its openings so constructed and maintained as to prevent the entrance of insects, birds, animals or other sources of infection or contamination.

(4) Where a pump is used in supplying or distributing drinking water, the pump and its connections shall be so placed as to prevent contamination of the water.

CONSTRUCTION REQUIREMENTS

21. Regulations 22 to 29 apply to,

- (a) any tourist establishment established after the date these regulations come into force; and
- (b) any addition to a tourist establishment existing on that date.

22. The average, clear, interior height of a room shall be at least eight feet measured from floor to ceiling.

23.—(1) No cottage shall have a floor area of less than 230 square feet, exclusive of closets, bathrooms, porches and verandahs plus 100 square feet for every sleeping room in the cottage in excess of one.

(2) No sleeping room in a cottage shall have a floor area of less than eighty square feet, exclusive of closets, bathrooms, porches and verandahs.

24.—(1) No cabin or rental unit in a motel, shall have less than 140 square feet of clear living space, exclusive of bathrooms, porches and verandahs.

(2) A sleeping room, other than a sleeping room in a cottage, to accommodate two or more persons shall have at least fifty square feet of floor space for each person to be accommodated.

(3) A bathroom shall,

- (a) be not less than four feet wide; and
- (b) have floor area of not less than thirty square feet.

(4) A room that has a flush toilet and is not a bathroom shall have not less than twenty square feet of floor area and a width of not less than four feet.

25. A cabin or cottage shall be,

- (a) at least twelve feet from any other building; and
- (b) at least six feet from a side or rear boundary of the land on which the establishment is operated.

26.—(1) An interior wall shall be,

- (a) stained or painted or lined with a material having a smooth surface; and
- (b) so constructed that it may be kept clean.

(2) All exterior walls of frame construction shall have upright studding,

- (a) of nominal size not less than two inches by four inches; and
- (b) set at 16-inch centres.

(3) Where logs, log siding, or log slabs, are used they shall be peeled and coated with varnish or some other insect repellent material.

(4) Where an exterior wall or any member thereof is constructed of brick, cement, cinder block, concrete, stone, or other masonry, those materials shall be new, sound and firmly laid in cement or cement-line mortar.

27. A floor shall be,

- (a) constructed of,
 - (i) tongue-and-groove lumber treated to be insect proof,
 - (ii) concrete, or
 - (iii) some other insect-proof material; and
- (b) supported on joists of which the lower face is not less than six inches above ground level.

28. A living room, sleeping room or kitchen shall have one or more windows having an aggregate glass area of at least 1/10th the floor area.

29.—(1) Every room shall be capable of being ventilated directly to the outside air by means of openings totalling an area of 4 per cent of the floor area of the room.

(2) Each rental unit shall be so constructed and equipped that cross-ventilation can be readily obtained.

30.—(1) Where two or more rental units adjoin each other under the same roof, they shall be separated from one another by a dividing wall,

- (a) made of bricks, concrete blocks, cinder blocks, clay blocks or clay tiles that are new, sound and laid in cement or cement and lime mortar; or
- (b) made of wood studding of not less than two inches by four inches nominal size, and
 - (i) set at not more than 16-inch centres,
 - (ii) with spaces between the studs filled with mineral wool or other fire resistant and sound resistant insulation, and
 - (iii) faced on both sides by a facing material specified in subregulation 4.

(2) Each dividing wall shall extend from the floor to the ceiling.

(3) Where a rental unit is underneath another rental unit the ceiling of the lower unit shall be insulated by a combination of joists, flooring and ceiling, in which,

- (a) the flooring is laid on the upper side of the joists and is staunchly constructed so that dirt, dust or water cannot drift or flow through it;
- (b) the ceiling is firmly affixed to the lower sides of the joists and,

- (i) is of lath and plaster or of a facing material specified in subregulation 4, and
- (ii) has a smooth lower surface adequately finished by a surfacing material suitable for ceilings; and
- (c) the spaces between the joists are filled with mineral wool or other fire resistant and sound resistant insulation.
- (4) For the purpose of subclause iii of clause *b* of subregulation 1, and subclause i of clause *b* of subregulation 3, a facing material consists of,
 - (a) gypsum board, plaster board or wallboard, at least $\frac{3}{8}$ -inch nominal thickness;
 - (b) plywood or pressed board at least $\frac{1}{4}$ -inch nominal thickness;
 - (c) wood boards at least $\frac{1}{2}$ -inch nominal thickness; or
 - (d) gypsum lath,
 - (i) at least $\frac{3}{8}$ -inch nominal thickness, or
 - (ii) plastered on the outer side with a base coat of gypsum hard-wall plaster,
 and surfaced smooth with a finishing coat of hydrated lime putty and plaster-of-paris.

TOILET CONVENIENCES, PLUMBING, SEWAGE DISPOSAL

31. Where a room is equipped with a flush toilet the room shall be,

- (a) adequately lighted; and
- (b) maintained in a clean and sanitary condition.

32. Flush toilets shall be connected to,

- (a) a public sewage system; or
- (b) a properly constructed septic tank and absorption system; or
- (c) such other sewage disposal system approved by the local medical officer of health, the Department of Health or an officer of the Ontario Water Resources Commission.

33.—(1) A privy shall be,

- (a) adequately lighted; and
- (b) so constructed and maintained that,
 - (i) no fly, insect, rat or other small animal is able to gain access to the waste,
 - (ii) surface or ground water does not enter the pit or vault, and
 - (iii) waste in the privy does not contaminate the water supply.

(2) In every privy,

- (a) all wooden seats shall be,
 - (i) of dressed material, and
 - (ii) maintained in a sanitary condition by application of at least one coat of good quality enamel; and
- (b) all interior walls shall be maintained in a sanitary condition by application of at least one coat of good quality paint or washable substitute for paint.

34. Where a flush toilet, privy or washroom, other than a semi-private bathroom, may be used by guests in common the facilities shall be for the use of the guests exclusively and the operator shall provide separate facilities for male and for female persons with separate approaches clearly marked for each sex and not to be used by any other person.

35.—(1) Where a room or privy has more than one flush toilet or privy seat, as the case may be, there shall be partitions between the seats constructed in such manner as to ensure complete privacy.

(2) Where there is no other law, regulation or by-law with respect to sewage-disposal devices in the municipality in which an establishment is located, the operator shall not use or permit to be used any such device until he has received from a health authority a certificate or other written advice that use of that device will not create a nuisance or be injurious to health of persons accommodated.

36.—(1) Subject to subregulations 2 and 3, where flush toilets, privies or washrooms are to be used by guests in common at a tourist establishment other than a cottage establishment and the number of persons entitled to use those common facilities is in a group itemized in column 1 of the Table, the operator shall provide at least the number of flush toilets or privy seats and wash basins set opposite thereto in columns 2 and 3, respectively:

(2) Where,

- (a) it is impracticable for an operator to comply with subregulation 1; and
- (b) at the time of making application for a licence or renewal thereof the operator files with the licence issuer a certificate or written advice from a health authority setting forth that in his opinion the existing facilities at that establishment,
 - (i) comply with all laws and by-laws, other than subregulation 1, applicable to the facilities,
 - (ii) are adequate for the time being, and
 - (iii) are being maintained in a satisfactory condition,

subregulation 1 does not apply to that establishment during the currency of that licence.

(3) Where a licence issuer issues a licence or renewal to an operator to whom subregulation 1 does not apply, the licence issuer shall, in red ink, write and sign a notation in the margin of that licence as follows: *Subregulation 1 of Regulation 36 does not apply to this establishment during the currency of this licence.*

37. A room that has a flush toilet shall have,

- (a) one or more windows having an aggregate glass-area of at least three square feet; or
- (b) a ventilating fan that ensures ventilation at least equivalent to that obtainable under clause a.

38. Each cottage shall have at least one flush toilet or privy for the exclusive use of the persons accommodated in that rental unit, except cottages in a cottage establishment in which there are central toilet facilities that,

- (a) are for the use of all guests at that establishment; and
- (b) have flush toilets and wash basins, in the numbers prescribed in the Table to sub-regulation 1 of Regulation 36.

EQUIPMENT

39.—(1) Every bathroom for use by guests shall have properly installed in it,

- (a) a bath tub or shower bath;
- (b) a basin in which the area of the water at its highest point is not less than 140 square inches;
- (c) a flush toilet;
- (d) a mirror having a good reflecting surface not less than twelve inches wide and eighteen inches high;
- (e) toilet-shelving having usable area of not less than sixty square inches and installed near the basin;
- (f) a device for hanging or stowing towels;
- (g) a light fixture placed conveniently in relation to the mirror;
- (h) a dish bracket or recess for soap impervious to water located conveniently to,
 - (i) the bath tub or shower bath, and
 - (ii) the basin;
- (i) not less than two metal wall hooks for hanging garments;
- (j) a bath mat of water-absorbent material; and
- (k) a device dispensing toilet paper.

(2) Each basin, bath tub and shower bath shall be equipped with taps or faucets supplying hot water and cold water.

(3) A semi-private bathroom shall have two doors,

- (a) opening into the bathroom and fitted with a means of securing them shut so that a person using the bathroom will have complete privacy; and
- (b) opening separately from the two rental units served by the bathroom.

(4) Before a guest occupies a rental unit,

- (a) the bathroom and all fixtures shall be thoroughly cleansed; and
- (b) the bath mat shall be freshly laundered.

CAMPING ESTABLISHMENTS

40.—(1) Camping lots shall be arranged in rows and accessible by means of a driveway,

- (a) so constructed that automobiles and trailers will not become mired;
- (b) at least twenty feet wide;
- (c) clearly marked; and
- (d) adequately lighted from sunset to sunrise.

(2) The operator shall designate which camping lots are suitable for,

- (a) trailers only;
- (b) tents only; or
- (c) either trailers or tents.

(3) Each camping lot shall have an area of at least 1500 square feet of land.

(4) The operator shall not allow a camping establishment to be occupied at any time by more tents or trailers than in the proportion of twenty-five for each acre of land at that time suitable for accommodation of tents or trailers.

REGISTRATION OF PERSONS, MOTOR VEHICLES, AND TRAILERS, ACCOMMODATED

41.—(1) An operator shall maintain in a bound book, or by means of a card index, a register of the persons, motor vehicles, and trailers, accommodated in his tourist establishment.

(2) A person accommodated shall enter in the register,

- (a) his name and home address; and
- (b) the name and home address of each person travelling with him and accommodated in the establishment,

who does not register separately.

(3) A person travelling by motor vehicle and accommodated in a motel, cabin establishment, camping establishment or tourist home shall also enter in the register the trade name of the motor vehicle, the vehicle licence number thereof, and the name of the province, state or other authority issuing the vehicle licence.

(4) The operator shall enter in the register,

- (a) the name or number of the rental unit occupied by each person accommodated; and
- (b) the date of arrival and of departure of each person accommodated.

(5) A person accommodated shall not,

- (a) enter false information in the register; or
- (b) in any way cause false information to be entered in the register.

(6) An operator shall not enter in the register or knowingly permit to be entered in the register any information he reasonably suspects to be false.

(7) An entry in the register shall be preserved for at least one year from the date of the entry.

DUTIES OF OPERATORS

42. An operator shall,

- (a) maintain the grounds of the establishment orderly, tidy and free from litter;
- (b) keep all grass and herbage cut sufficiently so as,
 - (i) not to harbour mosquitoes or other objectionable insects,
 - (ii) to prevent ripening of weed seeds, and
 - (iii) to present a neat appearance;
- (c) take all steps necessary to prevent nuisance within the meaning of sections 80 and 81 of *The Public Health Act* from occurring on the premises;
- (d) maintain in proper condition the fences of, and the signs and notices on, his tourist establishment;
- (e) keep the buildings painted and repaired and in a clean and sanitary condition; and
- (f) provide for each window of a rental unit,
 - (i) blinds or curtains that ensure privacy for persons accommodated, and
 - (ii) fly screens that are of fire resistant material.

43.—(1) The operator of a tourist establishment other than a cottage establishment shall have in attendance at all times during its operation at least one competent adult.

(2) An operator shall,

- (a) display his tourist establishment licence in a conspicuous place near the register;
- (b) display upon each rental unit a distinctive number, letter or name;
- (c) keep posted in every room or building used for sleeping accommodation a notice specifying the rates charged for the room or building; and
- (d) at the request of an inspector or police officer, produce for inspection any register, licence or notice required under the Act or these regulations.

(3) An operator shall,

- (a) keep the furnishings, equipment, sanitary facilities and appliances, repaired and in a clean and sanitary condition and free from rodents, vermin and other pests;
- (b) each day place in each washroom and bathroom an adequate supply of soap not previously used;
- (c) keep adequate supplies of toilet paper in each toilet room or privy; and
- (d) where he provides bedding for a guest, keep the bedding in a clean and sanitary condition and supply freshly laundered sheets, pillow-cases and towels.

BOATS AND CANOES

44. Where an operator supplies boats, canoes or other water craft for use of guests, he shall,

- (a) maintain the boats, canoes and watercraft in repair and in a clean and safe condition; and
- (b) maintain in proper repair all wharves, docks, landing places and boat houses on or used in conjunction with the premises.

DUTIES OF PERSONS ACCOMMODATED

45. No person accommodated shall,

- (a) light or build a fire except in equipment provided by the operator or in a place he designates;
- (b) take water from any open spring or well on the premises; or
- (c) use any cup, dipper, ladle or other receptacle for drinking water, in common with other persons not in his party.

GARBAGE

46.—(1) An operator shall,

- (a) place fly-tight metal garbage containers in convenient places and in sufficient numbers;
- (b) ensure that the garbage containers do not become foul smelling, unsightly, or breeding-places for flies or other insects;
- (c) where there is no municipal garbage removal service, dispose of garbage, waste, and refuse by incineration or burial in such manner as will not create a nuisance or pollute water on the premises; and
- (d) empty and clean garbage containers at least twice a week.

(2) A person accommodated shall place garbage, waste and refuse in such garbage containers or other places as the operator designates.

47. Where the operator permits persons accommodated to prepare or cook food in the establishment, the operator shall,

- (a) provide at the place where preparation or cooking is permitted, sufficient covered, metal, garbage containers to contain the amount of garbage, waste and refuse normally expected daily; and
- (b) cause each garbage container to be emptied and cleaned daily.

FIRE PREVENTION AND VENTILATION

48. An operator shall,

- (a) provide fire extinguishers of the type and in the number recommended by the local fire-inspector and keep them in conspicuous and well-marked places;
- (b) not permit a person accommodated to light or build a fire except in equipment provided by the operator or in a place he designates;
- (c) display or post adequate signs or instructions, or both, informing persons accommodated of the location of fire exits;
- (d) take such precautions as are necessary to prevent heating devices from endangering the health or safety of persons accommodated by,

- (i) the exhaustion of oxygen from the air, or

- (ii) the production of carbon monoxide or other noxious gas or smoke; and
- (e) provide such devices and equipment as will ensure,
 - (i) fresh air being taken into the rental unit from outdoors, and
 - (ii) stale air and noxious fumes being vented to the open air.

PART III
